SPONSORSHIP AND MARKETING OPPORTUNITIES

Querida comunidad,

As HPGM enters its 23rd year of legacy and impact, I am filled with pride when I see the seeds we've planted in the community beginning to bud, grow and stand tall. My heart swells when I see our gente persist in their education, land a well-deserved promotion, scale their businesses, and succeed in the ways that are meaningful to them.

However, our work to increase economic prosperity and advance Latinos in Wisconsin is not finished until **all of us** can rise together. By 2030, 1 in 5 employees will be Latino, yet we remain significantly underrepresented in positions of influence and power across all sectors. Latinos contribute **\$3.2 trillion** to the U.S. economy, yet the staggering Latina pay gap has only narrowed by pennies over the last three decades. We still need your support and investment to create a community of belonging where ALL Latinos and ALL Wisconsinites can thrive.

I invite you join us again as we strive for a stronger, more powerful and prosperous Latino community in Wisconsin. **We cannot continue our economic and workforce development work or serve the vibrant, talented community of more than 3,600 Latino professionals, students and allies without YOU!** Your investment removes barriers to education, contributes to the overall well-being of Latinos in Wisconsin, and is a commitment to advance Latinos in all sectors and industries.

Muchísimas gracias for your continued advocacy and partnership. **YOU** help make this work possible.

On behalf of the HPGM Board of Directors and staff, we send you our heartfelt gratitude and can't wait to see you on September 27!

Un fuerte abrazo,

Francesca Mayca Wegner
President & Chief Possibilities Officer, HPGM
